**Gather:** Sit in a circle with your family and join hands while you say the opening prayer. “Dear God, we are so thankful for this wonderful day. Thank you for our family and our many blessings. Please watch over us and protect us. Please be with those who are not with us that they may feel your love. Amen.”

**Lesson:** Go around the circle and have everyone say one thing they’re afraid of. “How does this make you feel? What can we do when we’re afraid?” “Feeling scared isn’t a good feeling is it? We can often feel very alone. Did you know we’re never alone? God is always with us.”

Read Psalm 23. There is also a link to a YouTube video on the web site.

**Craft:** Materials needed: Paper, cottonballs, glue (If you do not have these supplies, you can download the coloring page from the web site.)

Draw a sheep by making one large circle for the body and one smaller circle for the head. Let your child glue the cottonballs inside the circles. Add legs and a face with a marker or other materials in your home.

**Activity:** “Pin the Tail On the Sheep” Make a tail by cutting a strip of paper. Take turns pinning the tail on your new sheep while blindfolded. Have fun!!
